

# Afterschool Art

with Ms. Christina Farina

Dear parents and guardians,

Ms. Farina has offered to share her passion for art history and theory with the children by running a Montessori inspired art program for Casa and Elementary children after school. The program would run from 3:40-4:40 on Mondays for Casa children and from 3:40-4:40 on Wednesdays for Elementary children.

Each class would be an opportunity to work on and explore a particular theme, technique or movement. Examples of weekly themes would be: Jackson Pollack – drip art, Picasso – self-portraits, watercolour, musical expressionism, etc. Each class will start with a brief age appropriate theory or history lesson, to be followed by an explanation of the day's project and then a work period. The hope is that each week will result in one piece of finished work, but the children would also have the opportunity to complete it the week after.

There will be two groups of 10/9 sessions each:

January 21/23-April 8/11 (no class during March Break)

- Please note that the school is closed on:
  - Monday, February 18 for Family Day, therefore the Casa session will take place on Friday, February 22

April 15/17-June 10/12

- Please note that the school is closed on:
  - Monday, April 22 for Easter Monday, therefore the Casa session will take place on Friday, April 26
  - Monday, May 20 for Victoria Day, therefore the Casa session will take place on Friday, May 24

Please return this form with payment no later than Wednesday, January 16, 2019 to Ms. Farina or administration. Please make all cheques payable to Phoenix Montessori School or e-transfer [lpriolo@phoenixmontessori.ca](mailto:lpriolo@phoenixmontessori.ca). Forms will be accepted on a first come first serve basis as there are limited spaces for both sessions.
